

Walkabout Productions, Inc.

was established in 1986 in Los Angeles and re-located to Austin, Texas in 1989.

Connie “Paprika” Leaverton, multiple award-winning producer, director and owner of Walkabout Productions, Inc. with 30 years of experience, specializes in working one-on-one with her clients in order to achieve the strongest visual presentation possible. Her production experience with Steven Spielberg, Disney Studios, Tri-Star Television and Universal Studios has enhanced her knowledge of the moving image. Whether you need a presentation for using video, website design, print, interactive or multi-media, our clients receive the highest quality with that extra attention to detail.
